

## Message from President

Dear all students, parents, teachers & partners all over the world

Welcome to join Thailand International Mathematical Olympiad Heat Round 2022-2023. This year, we have almost 50,000 participants to join the heat round. This is a fantastic result for all of us to be interested in TIMO for the 6<sup>th</sup> year. The number, which can be kept unchanged under COVID-19, is a great effort for TIMO Team to prepare smooth & well-prepared online exams for candidates. This year, TIMO committee members invited 28 regions / countries such as Australia, Brazil, Bulgaria, Canada Cambodia, England, France, Georgia, Ghana, Hong Kong, Indonesia, India, Iran, Kazakhstan, Kyrgyzstan, Malaysia, Myanmar, Nigeria, Philippines, Saudi Arabia, Singapore, Sri Lanka, Switzerland, Taiwan, Turkey, Thailand, Vietnam & Ukraine all over the world.

Thailand International Mathematical Olympiad, TIMO is organized by Olympiad Champion Education Centre from Hong Kong, co-operated UNIQUELY with Tourism Authority of Thailand to promote Tourism in Thailand. The characteristic of TIMO is the integration between Creative Tourism and International Mathematical Olympiad. To bring oversea guests to travel around Thailand, with the strong support from Tourism Authority of Thailand, TIMO can serve students and guests with the best service.

Undoubtedly, TIMO is the FIRST and currently the only one International Mathematical Olympiad competition to provide MOCK EXAM before the final round exam. In order to warm up candidates to achieve the best result in the final round exam, throughout after Mock Exam, TIMO offers the most valuable opportunity for students to exchange their learning experience on learning Mathematical Olympiad. TIMO Team is welcomed all candidates to ask any constructive questions about Mock Exam to be taught in a smart thinking way.

We all wish Thailand International Mathematical Olympiad more successful!

We look forward to meeting everybody in TIMO Final 2022-2023 on 1<sup>st</sup> April 2023 at Pattaya!

All best,

Dr. Andy Lam, PhD in Mathematics -- Concentration in Actuarial Science and Risk Analytics  
President, Thailand International Mathematical Olympiad
